Interdisciplinary Programs

OVERVIEW

Interdisciplinary programs involve two or more academic, scientific, or artistic disciplines. The College of Engineering supports a number of undergraduate interdisciplinary programs and recently added a new program in data science at the graduate level.

UNDERGRADUATE PROGRAMS:

- Minor in Nuclear Engineering (http://catalog.uta.edu/archives/2022-2023/engineering/#text)
- Minor in Sustainable Engineering (http://catalog.uta.edu/archives/2022-2023/engineering/#text)

GRADUATE PROGRAMS:

- Master of Science in Data Science (http://catalog.uta.edu/archives/2022-2023/engineering/interdisciplinaryprgrms/graduate/)
