

# Official University Academic Calendar

---

The academic calendar is a source for information about notable dates, including registration timelines, final exam dates and student holidays/campus closings. The University Academic Calendar (<https://www.uta.edu/academics/academic-calendar/>) includes important dates for all terms and sessions within the academic year. Dates on the academic calendar are subject to change

Specific calendars such as grade report schedules and dynamic course dates can be found on the UTA website in the calendar section of the Office of the Registrar (<https://www.uta.edu/records/calendars/>).
