### Dean's Office

| Name             | Title                           | Education                                                                                                                           |
|------------------|---------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Allen, Austin    | Associate Professor of Practice | PhD - The Ohio University, 1992; MA - Ohio University, 1987; BA - University of California Berkeley, 1982; AS - Laney College, 1975 |
| Klahr, Douglas M | Professor                       | PhD - Brown University, 2002; MA - University of Virginia, 1998; BA - Brown University, 1977                                        |

### Architecture

| Name                  | Title                           | Education                                                                                                                   |
|-----------------------|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Abbasabadi, Narjes    | Assistant Professor             | PhD - Illinois Institute of Technology, 2019; MS - Tehran Azad University, 2012; BS - Tehran Azad University, 2008          |
| Bell, Bradley         | Associate Professor             | M. ARCH - Columbia University, 1998; BA - Texas A&M University, 1993                                                        |
| Boles, Rebecca        | Professor of Practice           | M. ARCH - Columbia University, 1989; M. ARCH - The University of Texas at Arlington, 1984; BS - Texas Tech University, 1978 |
| Chiessa, Dennis A     | Assistant Professor             | M. ARCH - The University of Texas at Arlington, 2009; BS - The University of Texas at Arlington, 2007                       |
| Dang, Bang Dai        | Assistant Professor of Practice | MARCH - The University of Texas at Arlington, 2011; BA - The University of Texas at Austin, 1998                            |
| Faruqui, Rizwan       | Assistant Professor of Practice | BA - The University of Texas at Austin, 2001                                                                                |
| Firouzbakht, Donna    | Lecturer                        | M. ARCH - The University of Texas at Arlington, 2018; BS - The University of Texas at Arlington, 2014                       |
| Emery-McClure, Ursula | Visiting Professor              | M. ARCH - Columbia University, 1995; BA - Washington University, 1992                                                       |

|                      |                                 |                                                                                                                                                               |
|----------------------|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gintole, George T    | Associate Professor             | 1981 M. ARCH - Princeton University, 1980; B. ARCH - Cooper Union. 1976                                                                                       |
| Holliday, Kathryn E  | Professor                       | PhD - The University of Texas at Austin, 2003; MA - The University of Texas at Austin, 1994; BA - Williams College, 1991                                      |
| Jenewein, Oswald     | Assistant Professor             | MS - University of Innsbruck, 2015; BS - University of Innsbruck, 2011                                                                                        |
| Jeong, Hyesun        | Assistant Professor             | PhD - Illinois Institute Technology, 2016; MS - Illinois Institute Technology, 2012; BA - Illinois Institute Technology, 2011                                 |
| Kallus, Angela Marie | Senior Lecturer                 | MFA - University of Nevada Las Vegas, 2003; BFA - The University of Texas at Arlington, 1998                                                                  |
| Lamster, Mark        | Associate Professor of Practice | MA - Tufts University, 1994; BA - Johns Hopkins University, 1991                                                                                              |
| Lindgren, Julia      | Assistant Professor             | MA - University of Washington, 2010; BA - Lehigh University, 2006                                                                                             |
| MacBride, Charles    | Assistant Professor             | MS - Columbia University, 1994; B. ARCH - Pennsylvania State University, 1991                                                                                 |
| MacDonald, Heath C   | Associate Professor of Practice | M. ARCH - The University of Texas at Arlington, 2002; BS - The University of Texas at Arlington, 2000                                                         |
| Mahdavi, Maziar      | Assistant Professor of Research | PhD - The University of Texas at Arlington, 2019; MS - Babol Noshirvani University of Technology, 2012; BS - Mazandaran University Science & Technology, 2009 |
| Makhmalbaf, Atefe    | Assistant Professor             | PhD - Georgia Institute of Technology, 2016; BS - Georgia Institute of Technology, 2004                                                                       |
| Marini, Barbara      | Associate Professor             | PhD - Eastern Michigan University, 2017; MS - Eastern Michigan University, 1998; BA - Michigan State University, 1976                                         |
| Maruszczak, John P   | Associate Professor             | M. ARCH - Princeton University, 1980; B. ARCH - Cooper Union, 1975                                                                                            |
| Mehta, Madan L       | Professor                       | PhD - University of Liverpool, 1974; M Bdg Sc - University of Sydney, 1967; B. ARCH - Indian Institute of Technology Roorkee, 1961                            |
| Nason, Joshua Milo   | Associate Professor             | M. ARCH - Cornell University, 2010; M. ARCH - Texas Tech University, 2007; MBA - Texas Tech University, 2007; BS - Texas Tech University, 2004                |
| Quevedo, Steven K    | Associate Professor             | M. ARCH - The University of Texas at Arlington, 1989; BS - The University of Texas at Arlington, 1985                                                         |
| Rusher, Thomas V     | Senior Lecturer                 | M. ARCH - Columbia University, 1996; BS - The University of Texas at Arlington, 1993                                                                          |
| Sarpaneva, Pia M     | Senior Lecturer                 | MA - Aalto University, 1986                                                                                                                                   |
| Wheat, Dustin R      | Lecturer                        | M. ARCH - The University of Texas at Arlington, 2008; BS - The University of Texas at Arlington, 2006                                                         |
| Wilson, Joshua J     | Associate Professor             | MFA - The University of Texas at Arlington, 2015; BFA - The University of Texas at Arlington, 2012                                                            |
| Youssefzadeh, Bijan  | Associate Professor             | M. ARCH - Cornell University, 1984; BS - The University of Texas at Arlington, 1981                                                                           |

### Landscape Architecture

| Name               | Title     | Education                                                                                                             |
|--------------------|-----------|-----------------------------------------------------------------------------------------------------------------------|
| Allen, Diane Jones | Professor | PhD - Morgan State University, 2014; MLA - University of California Berkeley, 1984; BFA - Washington University, 1980 |

|                      |                                 |                                                                                                                                                                           |
|----------------------|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anderson, Letora     | Assistant Professor             | MLA - University of Colorado Denver, 2012; BLA - Louisiana State University and A&M College, 2009                                                                         |
| Audirac, Ivonne      | Associate Professor             | PhD - University of Florida, 1988; MA - University of Florida, 1987; MA - Colorado State University, 1982; BS - ITESM Monterrey Institute of Technology, 1978             |
| Hopman, David D      | Associate Professor             | MLA - The University of Texas at Arlington, 1998; MM - Southern Methodist University, 1982; BM - University of Memphis, 1980                                              |
| Im, Joowon           | Assistant Professor             | PhD - Virginia Polytechnic Institute and State University, 2016; MLA - Harvard University, 2008; MLA - Seoul National University, 2005; BA - Ewha Womans University, 2003 |
| Lerberg, Justin Alan | Lecturer                        | PhD - The University of Texas at Arlington, 2013; MA - Northern Arizona University, 2002; BA - Dakota College at Bottineau, 1999                                          |
| Li, Jianling         | Professor                       | PhD - University of California Los Angeles, 1997; MA - University of California Los Angeles, 1992; BS - Zhongshan University, 1982                                        |
| Milson, Andrew James | Professor                       | PhD - University of Georgia, 1999; MEd - University of North Texas, 1995; BA - University of North Texas, 1993                                                            |
| Morris, Christopher  | Professor                       | PhD - University of Florida, 1991; MA - University of Western Ontario, 1985; BA - University of Western Ontario, 1981                                                     |
| Ozdil, Taner R       | Associate Professor             | 2007 PhD - Texas A&M University, 2006; MLA - University of Colorado Denver, 1996; BS - Ankara University, 1992                                                            |
| Pan, Qisheng         | Professor                       | PhD - University of Southern California, 2003; MS - University of Southern California, 2001; MS - Peking University, 1995; BS - Peking University, 1992                   |
| Shen, Guoqiang       | Associate Professor of Research | PhD - The Ohio State University, 1998; MA - The Ohio State University, 1994; MS - Beijing University of Science, 1988; BARCH - Tsinghua University, 1985                  |

### Public Affairs & Planning

| Name                        | Title                 | Education                                                                                                                                   |
|-----------------------------|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Abraham, David              | Assistant Professor   | PhD - Texas Southern University, 2008; MA - Texas Southern University, 2004; BFA - Texas Southern University, 2001                          |
| Anjomani, Ardeshir          | Professor             | PhD - University of Southern California, 1979; MPI - University of Southern California; MARCH - University of Tehran, 1968                  |
| Bezboruah, Karabi Chaudhury | Associate Professor   | PhD - The University of Texas at Dallas, 2008; BA - Gauhati University, 2002; MBA - Gauhati University, 2001; BA - Gauhati University, 1998 |
| Coursey, David Harmon       | Associate Professor   | PhD - Syracuse University, 1991; MPA - University of Alabama Birmingham, 1986; BA - University of Alabama Birmingham, 1984                  |
| Greene, Richard E           | Professor of Practice | BS - Northeast Louisiana State College, 1965                                                                                                |
| Hissong, Rod                | Associate Professor   | PhD - Rice University, 1989; MS - Iowa State University, 1978; BS - Iowa State University, 1974                                             |
| Lebovits, Hannah            | Assistant Professor   | PhD - Cleveland State University, 2021; MPA - Cleveland State University, 2015; BA - Lander University, 2014                                |

|                        |                     |                                                                                                                                                                                                       |
|------------------------|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Martinez-Cosio, Maria  | Professor           | PhD - University of California San Diego, 2003; MA - University of California San Diego, 1998; MED - University of San Diego, 1995; BA - University of California San Diego, 1982                     |
| Mistur, Evan           | Assistant Professor | PhD - Georgia Institute Technology, 2020; BS - Rensselaer Polytechnic Institute, 2013                                                                                                                 |
| Nwakupda, Emily        | Assistant Professor | PhD - University of North Carolina Chapel Hill, 2020; MPA - North Carolina Central University 2013; BS - North Carolina Central University, 2008                                                      |
