The individual review process at UTA will be a holistic review of the high school academic record, academic achievements, advance credits pursued, GPA, test score, and a review of a personal statement to be requested on the application asking students to articulate any challenges or other extenuating circumstances experienced during their high school career and what they've done to overcome them. Students admitted under individual holistic review are admitted under conditional admission. Students conditionally admitted do not have a minimum level of enrollment and must achieve a 2.0 GPA at the end of their first term of enrollment at UTA.

Conditional Offers of Admission

Freshman applicants that don't meet admissions requirements may be offered admission to UT Arlington with the condition that they participate in the [MAVS RISE](http://catalog.uta.edu/archives/2024-2025/undergraduate/) (<http://catalog.uta.edu/archives/2024-2025/undergraduate/>) or similar program. International students are not eligible for conditional admission.

Entrance Examination

Graduate Admissions

STANDARDIZED TEST REQUIREMENTS

TOEFL iBT, IELTS or Duolingo Score Minimums for Admission

Official English language test scores are required from international students from non-native English-speaking countries. UTA accepts TOEFL iBT, IELTS, and Duolingo official scores as part of the admission review process. Certain academic programs at UTA may still require English proficiency testing where higher language proficiency is critical to the program's success. An applicant whose native language is not English must demonstrate a sufficient level of skill with the English language to assure success in graduate studies.

Graduate master's and doctoral applicants are expected to submit a score of at least 6.5 on the IELTS or achieve a minimum TOEFL iBT total score of 79 or obtain a Duolingo score of 100. Further, when the TOEFL iBT is taken, sectional scores of at least 22 on the writing section, 21 on the speaking section, 20 on the reading section, and 16 on the listening section are preferred. Scores must be sent directly to UT Arlington from the testing service provider to be considered official. Student score reports are not used for admission processing.

Applicants must meet the minimum requirement for proficiency in English. Individual academic departments and graduate programs may give preference to students who exceed these minimums. Admission to any graduate program is limited and competitive. Meeting the minimum admission requirements

for proficiency in English does not guarantee acceptance and programs may give preference to students with higher scores. Information regarding program-specific preferences can be found in each graduate program's description of admission qualifications. International applicants may still be expected to submit a test score of English language proficiency to be eligible for a graduate teaching assistantship. See the section TOEFL iBT or IELTS Requirements for Graduate Teaching Assistants for more information.

Students are exempt from the English language proficiency tests if they have earned a bachelor's, master's, or doctoral degree from a U.S.-accredited institution or if they are from one of the countries listed below:

Applicants from the following countries are exempt from submitting English language proficiency scores: Anguilla, Antigua, Australia, Bahamas, Barbados, Belize, Bermuda, British Virgin Islands, Canada (except Quebec), Cayman Islands, Dominica, Grenada, Grand Cayman, Guyana, Ireland, Jamaica, Liberia, Montserrat, New Zealand, Sierra Leone, St. Kitts and Nevis, St. Lucia, St. Vincent, Trinidad/Tobago, Turks and Caicos Islands, United Kingdom, Botswana, Cook Islands, Falkland Islands, Federated States of Micronesia, Fiji, The Gambia, Ghana, Gibraltar, Guam, India, Kenya, Lesotho, Malawi, Marshall Islands, Mauritius, Nigeria, Philippines, Papua New Guinea, Saint Helena-Ascension-Tristan da Cunha, South Africa, Swaziland, Singapore, Tanzania, Uganda, U.S. Virgin Islands, Zambia, and Zimbabwe.

Any other waivers of score requirements must be recommended by the applicant's Graduate Advisor and approved by the college or school dean.
