

BBA or BS in Business to Master of Science in Human Resources Management Fast Track

About This Program

The Bachelor of Business Administration or Bachelor of Science in Business to Master of Science in Human Resources Management Fast Track enables outstanding senior undergraduate students in the College of Business to satisfy degree requirements leading to Human Resources Management MS while completing their undergraduate studies. Pathways are available from any undergraduate degree in the College that includes the required fast track foundations courses.

Human Resources Management MS (<https://catalog.uta.edu/archives/2025-2026/business/management/graduate/human-resources-management-ms/>)

Admissions Criteria

An undergraduate Business student will apply:

- within 30 hours of completing a bachelor's degree
- upon completion of at least 30 hours at UTA, achieving an overall UTA GPA of 3.3 or better
- with an overall GPA of 3.3 or better in all college courses (at all schools), and
- with a UTA Business GPA of 3.3 or better.

Additionally, a candidate must have completed at UTA Arlington 12 hours of undergraduate fast track foundation courses with a minimum GPA of 3.5:

- ECON 3310 MICROECONOMICS or ECON 3312 MACROECONOMICS
- FINA 3313 BUSINESS FINANCE
- MANA 3318 MANAGING ORGANIZATIONAL BEHAVIOR
- BSTAT 3321 INTERMEDIATE STATISTICS FOR BUSINESS ANALYTICS or BSTAT 3322 ADVANCED STATISTICS FOR BUSINESS ANALYTICS

For automatic admission to the MS, students must complete at least three of the following graduate courses:

- BSTAT 5325 ADVANCED METHODS FOR ANALYTICS
- MANA 5322 COMPENSATION & REWARD SYSTEMS
- MANA 5323 TRAINING AND DEVELOPMENT
- MANA 5341 STAFFING AND PERFORMANCE MANAGEMENT
- A graduate elective approved by advisor.

An undergraduate student who successfully completes the fast track graduate coursework with grades of B or better will graduate with the undergraduate degree and will be automatically admitted to graduate study. The student will not be required to take the Graduate Management Admissions Test (GMAT), will not have to complete the normal Graduate School application for admission, and will not have to pay the related application fee.
