

Minor in Sound Studies

About This Program

The Minor in Sound Studies is offered for students who wish to focus on sound and culture as a part of their undergraduate curriculum.

Competencies

1. Students completing the Sound Studies Minor will have the ability to compose and communicate effectively using both written and sonic media.
2. Students completing the Sound Studies Minor will be able to enact rhetorical principles, practices, and theories, and reflect critically on students' creative and compositional processes.
3. Students completing the Sound Studies Minor will be familiar with the intertwined histories of rhetoric, writing, and recorded sound.
