

Master of Science in Nursing (Family Nurse Practitioner)

About this Program

Master of Science in Nursing Family Nurse Practitioner path prepares students for licensure as an advanced practice registered nurse. Students will be prepared to care for primary care patients across the lifespan and sit for the certification exam. Both full-time and part-time study options are available as well as online and classroom-based programs.

Competencies

1. Upon completion, students will demonstrate competence in an advanced nursing role.
2. Upon completion, students will participate in scholarly endeavors to advance nursing knowledge.
3. Upon completion, students will provide leadership professional nursing and interdisciplinary health care.

Admissions Criteria

Applicants for the Master of Science in Nursing (MSN) degree must meet the general [requirements for graduate admissions](https://catalog.uta.edu/archives/2025-2026/academicregulations/admissions/graduate/) (<https://catalog.uta.edu/archives/2025-2026/academicregulations/admissions/graduate/>) as well as the requirements detailed below.

All graduate nursing students must have an unencumbered Registered Nursing License as designated by the Board of Nursing (BON) for clinical courses.

UNCONDITIONAL ADMISSION

For unconditional admission to the MSN, applicants must have:

- A GPA of 3.0 or higher on the last 60 hours of courses in the bachelor's degree program (as calculated by UTA Admissions).
- BSN from ACEN or CCNE Accredited Program (evaluated by the Associate Dean or designee).

PROBATIONARY ADMISSION

When admitted on probation, a student must maintain a 3.0 GPA in the first two semesters of enrollment in the graduate program. Probationary students are admitted for part-time study only.

If a person does not meet probationary admission requirements, he or she may request review by a Committee of the Graduate Nursing Faculty. The Committee may request completion of coursework and/or additional information to support the individual's petition for admission.

UTA offers probationary admission to the MSN for applicants who have:

- A GPA between 2.8 and 2.99 on the last 60 hours of courses in the bachelor's degree program (as calculated by UTA Admissions).

PROVISIONAL ADMISSION

An applicant unable to supply all required documentation prior to the admission deadline but who otherwise appears to meet admission requirements may be granted provisional admission.

DEFERRED STATUS

Deferred decision is granted when a file is incomplete or when a denial decision is not appropriate.

DENIAL OF ADMISSION

An applicant will be denied admission if they have less than satisfactory performance on a majority of admission criteria listed in the MSN Admission Table.

ADMISSION POLICY FOR INDIVIDUALS INELIGIBLE TO CONTINUE GRADUATE STUDY

Applicants who are on academic probation or who are ineligible to continue graduate study at another university are ineligible for admission. However, applicants may submit a petition to be reviewed by a Committee of the Graduate Nursing Faculty.

The committee will make a decision regarding admission based on the following:

- GPA on the last 60 hours of BSN, graduate GPA, GRE scores (if applicable), and English language score (if applicable);
- Official transcripts from BSN and all universities attended following completion of BSN;
- A narrative statement from the potential student providing a rationale for their ineligibility in the previous graduate program;

- A letter of reference from a graduate faculty in the previous program; and
- A plan for successful study at UT Arlington.

The admission committee reserves the right to ask for additional materials as needed. The committee will make its recommendation regarding admission to the Associate Dean or their designee of the Graduate Nursing Programs.

Curriculum

A degree plan is developed for the student upon admission to the MSN Program. Students are required to have any changes in degree plan approved by a Graduate Academic Advisor prior to registration.
