

Bachelor of Business Administration in International Business - Chinese

About This Program

The Bachelor of Business Administration in International Business - Chinese is a dual concentration program requiring specific international business course work and 26 to 29 hours of coursework in the Chinese language.

Competencies

1. Upon completion, IB Chinese students will demonstrate knowledge of how to apply business management and analysis skills to business decisions in an International context, with a focus on the Chinese economy.
2. Upon completion, IB Chinese students will demonstrate a working knowledge of Business Statistics including the ability to interpret, critique, and estimate empirical models of business decision making.
3. Upon completion, IB Chinese students will demonstrate a mastery of Mandarin and be able to apply it on a daily basis in a business context.

Curriculum

Students must meet all lower division requirements before enrolling for upper division courses. Specified prerequisites are designated for certain courses.
