

Master of Public Administration (Urban Nonprofit Agency Management)

About This Program

Public Administration is concerned with the formulation, analysis, negotiation, and implementation of democratically responsible collective action. With an interdisciplinary focus, the Master of Public Administration (MPA) Urban Nonprofit Agency Management emphasis gives special emphasis to the urban community and the special challenges of public managers who serve in urban areas. The curriculum is designed to develop leadership capacity, understanding of the political, social, and economic characteristics of today's urban environment and the ability to apply current theories of management and analysis to difficult management issues. The program is meant as preparation for those entering management careers in government for the first time or as career development for those already employed who are seeking upward mobility in public management.

The MPA is accredited by the National Association of Schools of Public Affairs and Administration (NASPAA), and the curriculum conforms to NASPAA standards.

- Graduate Record Exam (GRE) score: Writing (Exceptions: Outstanding UT Arlington graduates may qualify for GRE waiver providing they meet certain requirements. See "Waiving the GRE" below)

The essay is considered both for its content and quality of writing and should address the following questions: 1) Why do you want to earn a Master's degree in the program for which you are applying? 2) What relevant background and experience do you bring to the program? The essay may also include other concerns you'd like to bring to the attention of the Graduate Advisor or Master's Admissions Committee.

Applicants who meet all the standards for Unconditional admission except for deficiency in Writing GRE score will be considered for probationary admission conditional on completing an approved writing course in their first semester.

DUAL DEGREE PROGRAMS

Students in public administration may participate in one of five dual degree programs whereby they can earn a Master of Public Administration and one of the following:

1. Master of Arts in Urban Affairs
2. Master of City and Regional Planning,
3. Master of Science in Social Work,
4. Master of Science in Nursing,
5. Master of Arts in Criminal Justice, or
6. Master's of Sociology.

By participating in a dual degree program, students can apply a number of semester hours jointly to meet the requirements of both degrees, thus reducing the total number of hours which would be required to earn both degrees separately. The number of hours which may be jointly applied ranges from nine to 18 hours, subject to the approval of graduate advisors from both programs. To participate in the dual degree program, students must make separate application to each program and must submit a separate program of work for each degree. Those interested in the dual degree program should consult the appropriate graduate advisor(s) for further information on course requirements. See also the statement of dual degree programs in the general information section of this catalog.

Program Completion

Deficiency points may not be removed from a student's record by repeating a course or additional coursework.

D = 2 deficiency points

F = 3 deficiency points

I = 1 deficiency point

W = 0.5 deficiency point

A graduate student, whose cumulative grade point average (GPA) falls below a 3.000 in all graduate courses, be they graduate or undergraduate level and taken while enrolled as a UT Arlington graduate student, may be subject to dismissal (<http://catalog.uta.edu/academicregulations/academicstanding/#graduatetext>) from the program.
