

# Minor in Printmaking

---

## About This Program

The Minor in Printmaking emphasizes the exploration of ideas through active making and the investigation of the graphic aesthetic. The focus of courses is on the inventive and conceptual use of printmaking underscoring critical and contemporary issues in art; the tools that are learned are applicable to a range of practices.

## Competencies

1. Upon graduation, students will be able to demonstrate proficiency in studio foundation skills as they relate to the elements and principles of design, drawing, and printmaking.
2. Upon graduation, students will be able to illustrate an understanding of printmaking skills appropriate to specific challenges of the creative process.
3. Upon graduation, students will be able to skillfully use tools and materials that are unique to printmaking processes.
4. Upon graduation, students will be able to conceive, design, and fabricate original work in a self-driven and proactive manner.

## Curriculum

Students interested in the Printmaking Minor should consult the Art & Art History Department advising office to determine the most advantageous selection of courses.
