

Minor in Criminology and Criminal Justice

About This Program

A minor in Criminology and Criminal Justice is designed to complement majors in a variety of disciplines including those in social science, natural science, and social work. The minor prepares students for careers in law enforcement, corrections, victim assistance programs, juvenile justice, and the court system. Students pursuing a minor in Criminology and Criminal Justice have the flexibility to select courses most relevant for their career interests. The skills students acquire by earning a minor in Criminology and Criminal Justice have practical application upon graduation and in their career.

Competencies

1. Graduates will understand the etiology of the American judicial system.
2. Graduates will understand the etiology of crime.
3. Graduates will be able to develop useful paradigms for understanding crime.
4. Graduates will be skilled managers prepared for employment in private or public sector agencies.
5. Graduates will recognize ethical challenges in the criminal justice system.
6. Graduates will understand the etiology of victimization.
