Admissions Criteria

Students wishing to enroll only in the certificate program but not a graduate degree program may apply for admission to UT Arlington as a special student (non-degree seeking). Admission requires an undergraduate degree in music or its demonstrated equivalent and would be contingent upon an audition for a minimum of two faculty members. Students in this certificate program who later seek graduate degrees at UT Arlington may apply 12 hours of certificate coursework within six years of completion and award of the certificate, if they meet the admission requirements for the graduate degree and receive approval from the appropriate Graduate Studies Committee and the Dean of Graduate Studies. Admission as a special student in no way guarantees subsequent unconditional admission into a graduate program or into the Graduate School.

Advising Resources

All UTA Music Degrees require an audition for Music Department acceptance. First time in college students may contact the Music Department advisor for general degree information and will be advised in the department starting their second semester. Transfer students should contact the Music Department Advisor prior to acceptance for general degree information and again following a successful audition for acceptance into the UTA Music Department for academic advising and clearance to enroll. Students interested in the Music Minor should contact the Music Department advisor for the Minor course sheet, and Minor approval form, and may do so at any time in the semester.
