THEATRE PRACTICUM

All Theatre Arts majors shall enroll in THEA 0181 (<https://catalog.uta.edu/search/?P=THEA%200181>) for one hour per semester - six(6) hours of THEA 0181 (<https://catalog.uta.edu/search/?P=THEA%200181>) are required to graduate. Students should see their advisor regarding practicum obligations.

All BA students are encouraged to audition for each major production each semester they are enrolled, though they may choose to decline being considered for a role at the time of the audition. Production activities and Theatre Arts disciplinary rules are governed by a student handbook that is available to the student through the Department of Theatre Arts and Dance.

GPA

A minimum **2.0 overall** grade point average is required for all courses, including theatre courses, taken at UT Arlington in order to remain in the BA degree program. Students currently enrolled at UT Arlington who wish to declare Theatre Arts as a major must have a minimum grade point average of 2.0 in overall coursework taken at UT Arlington in order to be admitted.

ACADEMIC PROBATION

A student will be placed on departmental academic probation in the Department of Theatre Arts and Dance if her/his grade point average drops below the minimum university GPA requirements. The department follows university guidelines regarding Academic Probation, Academic Warning, Academic Continuance, and Academic Dismissal. Theatre Arts and Dance students will work with their Area Head and advisor while on academic probation to create a specific improvement plan. However, if after a regular semester the student's grade point average does not meet the minimum required grade point average, the student may, at the discretion of the program area head and department chair, be removed from the degree program and will be advised as to other degree plan alternatives, should they exist.

DEPARTMENT SCHOLARSHIPS

The Department of Theatre Arts and Dance offers limited talent-based scholarships to deserving students. Work-study positions may be available. Contact the Department of Theatre Arts and Dance for information

Advising Resources

Our advisor is here to help you at all stages of your academic journey. Scheduling an appointment can help current students update their degree plan, assess their academic standing, and plan their educational and career goals. Students should ensure prior to their appointments that they have submitted all transcripts for review. Theatre Arts & Dance students are required to schedule an appointment to receive clearance into their courses each semester. Prospective students with less than 30 college credit hours will need to contact the Division of Student Success. All students, regardless of credits, must be a UTA student with a student ID number to declare a Theatre Arts & Dance degree.
