

Bachelor of Fine Arts in Theatre Arts (Design and Technology)

About This Program

The Bachelor of Fine Arts in Theatre Arts is a specialized, pre-professional degree that provides a background in the liberal arts with specialized concentrations in: Design and Technology, Musical Theatre, or Acting.

The Design and Technology Concentration is for students seeking a professional career as a scenic, lighting, sound or costume designer, technical director, and/or theatre technician.

Students seeking the BFA elect additional courses chosen from the University and Liberal Arts core curricula outside the Department of Theatre Arts and Dance.

Competencies

1. Upon completion, students will demonstrate artistic, technical, and professional practices that enable them to take roles in theatre companies, theatre productions, and theatre education settings.
2. Upon completion, students will be able to analyze plays as dramatic literature, a reflection of culture, and map for performance.
3. Upon completion, students will demonstrate understanding of the various production and artist roles needed to present a theatre production.

Admissions Criteria

The aspiring undergraduate must meet the following requirements for admission to the Theatre Studies BFA Design and Technology Concentration:

- Participation in advisement.
- A personal interview with a designated faculty member (all students).
- A design/technical production portfolio review.
- Upon acceptance by the University and the Department of Theatre Arts and Dance, an indication of an area of concentration is required.

Advising Resources

Our advisor is here to help you at all stages of your academic journey. Scheduling an appointment can help current students update their degree plan, assess their academic standing, and plan their educational and career goals. Students should ensure prior to their appointments that they have submitted all transcripts for review. Theatre Arts & Dance students are required to schedule an appointment to receive clearance into their courses each semester. Prospective students with less than 30 college credit hours will need to contact the Division of Student Success. All students, regardless of credits, must be a UTA student with a student ID number to declare a Theatre Arts & Dance degree.
