Bachelor of Arts in Kinesiology (Coaching and Youth Sports)

About This Program

The Bachelor of Arts in Kinesiology -- Coaching and Youth Sports concentration is designed to provide a scientific and pedagogical foundation with multiple experiences that enable students to observe, assist, coach, and create programs that encourage physical activity across the age spectrum: youth, high school, collegiate, elite-level, or private coaching. In addition to the identified core and specialization courses there are 9 hours available as electives.

Competencies

- 1. Upon graduation, students will be able to develop, implement and supervise youth sport opportunities that support both physical and mental wellness.
- 2. Upon graduation, students will be able to effectively communicate with athletes, parents, and community supporters.
- 3. Upon graduation, students will be able to prevent and treat sport injuries.
- 4. Upon graduation, students will be able to teach life skills such as sportsmanship, discipline, and goal setting.

Admissions Criteria

To ensure that all students develop a solid academic foundation, all first time, first-year freshman students (regardless of intended major) must obtain academic advising and clearance for registration from a Division of Student Success academic advisor during their first year. After the first year, students should seek advisement from the BA Kinesiology Advisor in the Department of Kinesiology. Transfer students must seek academic advising from the BA Kinesiology Advisor immediately.

• All classes involving field-based experiences require students to pass a criminal background check. This is also a requirement for all certified teachers and professionals that work with school aged children in the State of Texas.
