

Master of Social Work (Advanced Standing)

About This Program

The advanced standing MSW curriculum is for those students who already possess a BSW degree received within the last 6 years and who met the GPA requirements. The advanced standing MSW program allows students to specialize in one of five practice areas through the specialty curriculum. Advanced Standing students select one specialty area: Aging, Children and Families, Community and Administrative Practice, Health, or Mental Health and Substance Misuse.

2. Upon completion, students will be able to engage diversity and difference in practice.
3. Upon completion, students will be able to advance human rights and social, economic, and environmental justice.
4. Upon completion, students will be able to engage in practice-informed research and research-informed practice.
5. Upon completion, students will be able to engage in policy practice.
6. Upon completion, students will be able to engage with individuals, families, groups, organizations, and communities.
7. Upon completion, students will be able to assess individuals, families, groups, organizations, and communities.
8. Upon completion, students will be able to intervene with individuals, families, groups, organizations, and communities.
9. Upon completion, students will be able to evaluate practice with individuals, families, groups, organizations, and communities.

Admissions Criteria

Please contact the MSW Admissions Office (sswadmissions@uta.edu) to obtain the complete application checklist and information concerning specific application deadlines. Applicants may also visit the [MSW Admissions webpage \(https://www.uta.edu/academics/schools-colleges/social-work/admissions/\)](https://www.uta.edu/academics/schools-colleges/social-work/admissions/) for more information. Students are admitted to the MSW program for Fall or Spring semester with the exception of students that qualify for advanced standing with their undergraduate social work degree. Advanced Standing students can be admitted for a fall, spring or summer semester. The admissions process is the same for all MSW programs, including the Distance Education Cohorts.

*Please note that the School of Social Work's deadline for application is different from the published deadlines of the Graduate School.

There are two methods for application to the MSW Program: the Quick Admissions Process, and the Traditional Admissions Process.

QUICK ADMISSIONS

This process awards the bachelor-level applicant who has earned a 3.0 or better GPA in the last 60 hours of her/his undergraduate degree program a head start by requiring only a two-step process. In step 1, the applicant submits the online application. In step 2, the applicant must submit all official transcripts to the Office of Admissions, Records, and Registration. Once all transcripts have been received and evaluated, students whose GPA is 3.0 or better are generally admitted to the Master of Social Work Program.

Advanced Standing students applying for Quick Admission should follow the same process described above and identify themselves as having earned (or will earn by enrollment) the BSW. The BSW degree is verified by the Office of Admissions, Records, and Registration, and included with other application materials. Advanced Standing status is only granted to individuals who have graduated within the past 6 years from a BSW degree program accredited by CSWE with a 3.0 or better GPA in their last 60 hours. The same evaluation criteria are used for applicants seeking admission to the Advanced Standing MSW program.

TRADITIONAL ADMISSIONS

In the second admission method, applicants deemed ineligible for Quick Admission to the MSW program (based on the 3.0 GPA requirement) will be considered via the Traditional Admission Process for the traditional program only. Traditional Admission includes, but is not limited to the satisfactory presence of the following six qualifications:

1. Possession of a bachelor's degree from a regionally accredited U.S. college or university or its equivalent, with a satisfactory GPA of 2.7 or higher.
2. Submission of three letters of reference indicating professional or academic promise.
3. Submission of narrative essay of three double-spaced pages or less that responds to the following prompt: *Social work practice is often classified as either micro or macro. Explain what is meant by micro practice and macro practice, and why addressing both micro and macro issues is essential to effective social work practice. Use three outside sources to support your statement and include complete citations for each.*
4. Submission of GRE test scores.
5. For applicants whose native language is not English, submission of a score of at least 6.5 on the International English Language Testing System (IELTS) or a minimum TOEFL iBT total score of 79 with sectional scores that meet or exceed the following:

- 22 for the writing section
- 21 for the speaking section
- 20 for the reading section
- 16 for the listening section

TRANSFER OF CREDIT

Transfer credits for graduate level social work courses may, at the discretion of the Director of Graduate Programs, be accepted by the School of Social Work from comparable coursework taken and passed with a grade of 'B' or better at another Council on Social Work Education (CSWE) accredited program within the last six years. Transfer credits for graduate level course work in related fields may, at the discretion of the Director of Graduate Programs, be accepted by the School of Social Work if comparable to required coursework for the MSW; such courses must have been taken and passed with a grade of 'B' or better within the last six years. Students will be expected to provide syllabi for review. No credit is given for life or work experience.

FINANCIAL AID

Scholarships are awarded annually and administered by the School of Social Work. For information about scholarships available through the School of Social Work, [please visit our website \(https://www.uta.edu/ssw/student-resources/scholarships/\)](https://www.uta.edu/ssw/student-resources/scholarships/).

A limited number of traineeships are available through the [Center for Child Welfare's Title IV-E Program \(https://www.uta.edu/academics/schools-colleges/social-work/research/title-iv-e-project/\)](https://www.uta.edu/academics/schools-colleges/social-work/research/title-iv-e-project/).

GRADUATE FELLOWSHIPS

Candidates for fellowship awards must have a GPA of 3.0 in their last 60 undergraduate credit hours and in any graduate credit hours, and must be enrolled in a minimum of 6 hours in both long semesters to retain their fellowships.
