

Master of Social Work (Traditional Entry)

About This Program

The MSW curriculum provides students with a generalist perspective in the foundation curriculum and allows students to specialize in one of five practice areas through the specialized curriculum. Students must complete required foundation courses prior to taking most specialty courses. Students in the specialty curriculum select one specialty area: Aging, Children and Families, Community and Administrative Practice, Health, or Mental Health and Substance Misuse.

1. Upon completion, students will be able to demonstrate ethical and professional behavior.
2. Upon completion, students will be able to engage diversity and difference in practice.
3. Upon completion, students will be able to advance human rights and social, economic, and environmental justice.
4. Upon completion, students will be able to engage in practice-informed research and research-informed practice.
5. Upon completion, students will be able to engage in policy practice.
6. Upon completion, students will be able to engage with individuals, families, groups, organizations, and communities.
7. Upon completion, students will be able to assess individuals, families, groups, organizations, and communities.
8. Upon completion, students will be able to intervene with individuals, families, groups, organizations, and communities.
9. Upon completion, students will be able to evaluate practice with individuals, families, groups, organizations, and communities.

Admissions Criteria

Please contact the MSW Admissions Office (sswadmissions@uta.edu) to obtain the complete application checklist and information concerning specific application deadlines. Applicants may also visit the [MSW Admissions webpage \(https://www.uta.edu/academics/schools-colleges/social-work/admissions/\)](https://www.uta.edu/academics/schools-colleges/social-work/admissions/) for more information. Students are admitted to the traditional MSW program for Fall or Spring semester. The admissions process is the same for all MSW programs, including online programs.

*Please note that the School of Social Work's deadline for application is different from the published deadlines of the Graduate School.

There are two methods for application to the MSW Program: the Quick Admissions Process, and the Traditional Admissions Process.

QUICK ADMISSIONS

This process awards the bachelor-level applicant who has earned a 3.0 or better GPA in the last 60 hours of their undergraduate degree program a head start by requiring only a two-step process. In step 1, the applicant submits the online application. In step 2, the applicant must submit all official transcripts to the Office of Admissions, Records, and Registration. Once all transcripts have been received and evaluated, students whose GPA is 3.0 or better are generally admitted to the Master of Social Work Program.

TRADITIONAL ADMISSIONS

In the second admission method, applicants deemed ineligible for Quick Admission to the MSW program (based on the 3.0 GPA requirement) will be considered via the Traditional Admission Process for the traditional program only. Traditional Admission includes, but is not limited to the satisfactory presence of the following six qualifications:

1. Possession of a bachelor's degree from a regionally accredited U.S. college or university or its equivalent, with a satisfactory GPA of 2.7 or higher.
2. Submission of three letters of reference indicating professional or academic promise.
3. Submission of a narrative essay of three double-spaced pages or less that responds to the following prompt: *Social work practice is often classified as either micro or macro. Explain what is meant by micro practice and macro practice, and why addressing both micro and macro issues is essential to effective social work practice. Use three outside sources to support your statement and include complete citations for each.*
4. Submission of GRE test scores.
5. For applicants whose native language is not English, submission of a score of at least 6.5 on the International English Language Testing System (IELTS) or a minimum TOEFL iBT total score of 79 with sectional scores that meet or exceed the following:
 - 22 for the writing section
 - 21 for the speaking section
 - 20 for the reading section
 - 16 for the listening section

TRANSFER OF CREDIT

Transfer credits for graduate level social work courses may, at the discretion of the MSW Program Director, be accepted by the School of Social Work from comparable coursework taken and passed with a grade of 'B' or better at another Council on Social Work Education (CSWE) accredited

program within the last six years. Transfer credits for graduate level course work in related fields may, at the discretion of the MSW Program Director, be accepted by the School of Social Work if comparable to required coursework for the MSW; such courses must have been taken and passed with a grade of 'B' or better within the last six years. Students may be expected to provide syllabi for review. No credit is given for life or work experience.

FINANCIAL AID

Scholarships are awarded annually and administered by the School of Social Work. For information about scholarships available through the School of Social Work, please visit <https://www.uta.edu/ssw/student-resources/scholarships> (<https://www.uta.edu/academics/schools-colleges/social-work/admissions/scholarships/>).
